TO MY PATRONS:—

For convenience of our customers we ask early consideration and the ordering of Bulbs, Roses, Fruit Trees, Shrubs and Holiday decorations for this autumn.

To those who have never dealt with us, but whom we should like to include among our friends, we shall be glad to demonstrate the high quality of our stock, our ability to handle all orders and high-class methods of doing business.

Your generous patronage during the last year is appreciated, and I shall endeavor to merit a continuance of the same.

W. H. WOLTERS,
Proprietor Ashby Nursery.

ROSES

We offer only the hardiest of hundreds of varieties of Roses suited to our climate. The Roses are two-year-old plants, strong and healthy—they are in dormant condition from November 1st to March 15th. Order early before the choicest varieties are exhausted. (*Climbers.)

OUR NEW NOVELTIES

\$1.00 Each

George Dickson—H. T.—Scarlet crimson shading to rich velvety crimson. Large, full and beautifully formed flowers. 1911.

Killarney Brilliant—Has the same habit as its parent. The flower is more double and the color a very brilliant pink. 1914.

75c Each

Beaute De Lyon—The color is coral red slightly shaded with yellow; the flower is large, full and globular.

***Climbing Richmond**—The growth is most vigorous and of true climbing character. Color unique and habit free flowering. 1912.

Ferniehurst—H. T.—Pure rosy coppery pink on fawn—a delicate sunset shade. Blooms large and full. 1911.

George C. Waud—H. T.—Orange vermillion. Blooms large, full and nicely formed. Fragrant, clean and satisfactory grower. 1908.

Jonkheer, J. L.—H. T.—Splendid upright strong grower, producing its flowers on long stiff stems in abundance. Beautifully formed, fragrant. Color imperial pink. 1910.

Joseph Hill—H. T.—Pink, shaded salmon, outside of petals coppery pink; a most superb shade. Flowers large and double.

NEW AND SCARCE VARIETIES

50c Each

Edward Mawley—H. T.—Marvelously rich velvety crimson. A very thrifty grower and of good foliage. Blooms large, full and of great substance. 1911.

Juliet—Hyb. Austrian Briar—Outside of petals old gold; interior rich, rosy red, changing to deep rose as flowers expand. 1910.

Harry Kirk—H. T.—Deep sulphur yellow changing to lighter shade at edges of petals. Buds long and elegant; blooms large and full. Free bloomer. 1907.

Lady Ashtown—T.—Light rose; shaded yellow at base of petals. Flowers fine form; free and constant bloomer. 1905.

Lady Hillingdon—T.—Long, slender pointed buds of beautiful deep apricot and chrome yellow. Free flowering and a beautiful rose. 1910.

Lyon—H. T.—Shrimp pink, shaded salmon and chrome yellow. A most distinct and charming combination. 1907.

Mrs. Aaron Ward—H. T.—Deep rich Indian yellow tinted with salmon. Free bloomer; bud splendid for cutting. 1907.

Milady—H. T.—A cross between Richmond and J. B. Clark. Very rich dark red. 1913.

Radiance—H. T.—Brilliant rosy carmine; fine form; constant bloomer, fragrant. 1909.

Sunburst—H. T.—Foliage fine bronze green. Long pointed buds on good stems. Color, superb cadmium yellow, orange center. 1912.
